Summer Session 2018 in Fårö

Welcome to Fårö! The summer session of 2018 will take place in Fårö, Sweden, from July 29th until August 5th. Situated in the Baltic sea just north of Gotland, Fårö island displays an idyllic landscape of white sand beaches and limestone formations. Fårö Kursgård, a WWII camp rebuilt into a modern conference center, will be our venue.

For more information about the venue, excursions, cultural program, keynotes and other practical concerns, please visit the site dedicated to the summer session:

<https://summersession2018.nsuweb.org>. The site will be updated continually from now on until the summer session starts in July.

Preliminary program from our study circles

The preliminary programs of the eight study circles of NSU are now accessible on our web site <https://nordic.university/study-circles/>. Some circles still accept new participants; please contact the coordinators of your study circle of interest should you be interested in signing up for the summer session.

Application and Registration Process

Please note that the application process has two steps: After choosing a study circle, submit an application to the coordinators to gain acceptance to participate, either with or without paper.

Only after receiving confirmation from the coordinators of your selected study circle, you may register and pay. Deadline to register is 1st of June; however, in order to secure your preferred accommodation, we recommend registering early.

Cancellations prior to 1st of June will be reimbursed, except for an administrative fee of 27 Euro (250 SEK). Cancellations after the 1st of June will not be refunded at all. Full terms and conditions can be found on the payment site. We advise all participants to take a travel insurance in case of cancellations.

For registration and more info visit: <https://registration.nsuweb.org/>.
